### ENERGY SWARAJ CLIMATE CHANGE AND I

The IQAC of Agurchand Manmull Jain College invited Dr. Chetan Singh Solanki, 'The Solar Man of India' to give a talk on 'Energy Swaraj' to their students on 22nd April 2022. Dr Solanki, has been living in his 'Solar Bus' from 2020 and will be travelling all over India until 2031 to sensitise people on 'Energy Swaraj'. Commemorating the 'Earth Day' Dr. Solanki said that he was launching the Energy Swaraj Club later in the day. IQAC Coordinator, Dr. V.S. Murali welcomed the gathering. Dr. Ananthkrishnan, Head, Department of History, introduced the Chief Guest followed by Principal, Dr. N. Venkataramanan's speech. The Chief Guest was felicitated by the members of the Management Committee. A press meet was held, wherein the Chief Guest answered questions pertaining to his Energy Swaraj Yatra and other aspects. Speaking on the occasion, Dr. Chetan Singh Solanki, emphasized on the need to address the issue of heavy energy dependence on fossil fuels and switch to 100% use of solar Energy. He wanted everyone present to be responsible about their energy consumption. He urged the students to contribute to the solution and not pollution. He highlighted the connection between energy dependence, the nation's economy, global warming and human survival and existence.

Dr. Chetan Singh Solanki suggested a two rule "fundamental laws of human existence - limit the consumption and localise the production" as a sustainable solution for the problem. Besides, he necessitated a 3-step approach - Avoid (use of energy), Minimise (consumption) and generate (Solar Energy) to switch to 100% Solar Energy. This, he added, will also generate jobs and add to the economy. He wanted everyone to act on spreading awareness about the energy Swaraj Movement. He urged Institutions and individuals to lead the Movement, by starting and spreading Energy Literacy, Certification, reducing energy consumption, encouraging others too, and starting the Energy swaraj Club. Dr. Solanki urged the students to spread awareness through social media on this energy independence movement. An interactive session followed the talk. Among the many questions, there was a question on how countries in the polar regions would generate Solar Energy. To which he said there are alternate sources like bio-mass that are also available. Dr. V. Nalina, member of the IQAC, proposed the vote of thanks followed by the national Anthem.
