## REMOTE SENSING FOR INDIA'S NATIONAL SECURITY: ITS ROLE AND IMPLICATIONS

On March 01 2024, the Department of Defence and Strategic Studies at Agurchand Manmull Jain College in Meenambakkam, Chennai, organized an Special Guest Lecture titled "Remote Sensing for India's National Security : it's roles and Implications" Dr. C Rajasenan, Senior Scientist, European Space Agency, was invited as the Guest Speaker for the seminar.

The program commenced at 10:30 A.M. Mr. Gaurav Pandey, the Department Facilitator, felicitated the guest with a shawl and Dr. M.M Ramya, the college Dean, felicitated the chief guest with a Memento. The event began with the recitation of the Jain Mahamantra, followed by the Thamizh Thaaai Vaazhthu. Ms. Madhumitha P, Assistant Professor, Department of Defence and Strategic Studies, delivered the welcome address and introduction of the Chief Guest was done by Assistant Professor Ms. Jayashree M.Mr. Gaurav Pandey, the Facilitator, gave the keynote speech. The Chief Guest presented a lecture on "Remote Sensing for India's National Security: Its Role and Implications" and utilized a PowerPoint presentation to outline the topic of remote sensing.

It was emphasized that the integration of remote sensing technologies into national security strategies has become indispensable. From surveillance to environmental monitoring, remote sensing plays a pivotal role in safeguarding a nation's interest. As technology continues to advance the potential applications of remote sensing innational security are poised to grow, emphasizing the importance of ongoing research and development in this critical field.The interactive session witnessed active participation and the students greatly benefited from this guest lecture.

Mr. Vibhav K, Assistant Professor from the Department of Defence and Strategic Studies, delivered the vote of thanks, and the seminar concluded with the National Anthem.

## **SEMINAR ON FOSTERING BUSINESS ASPIRANTS**

The department of Corporate Secretaryship conducted a seminar entitled "Fostering Business Aspirants" for the final year students. The event was organized with the motive of encouraging the students aspiring to do business of their interest. Dr. A. Priyanka, Co-founder, Cloud Designs graced the occasion as guest speaker.

The session was remarkable and interactive. The enthusiastic guest of the day gave inputs on setting a startup. To mention a few, she guided the students on how to register with MSME, how to raise funds through loans, where to look for startup ideas, how to draft a business proposal, how to encounter the related risks and fears etc. She shared her experience and hurdles she confronted as a new business entrant. The chief guest was highly impressed about the interaction with students.

## **CONCLAVE ON NEURO-DEVELOPMENTAL DISORDER DECODING LEARNING DISABILITY (LD)**

About 5 to 15 percent of children in classrooms in India have a learning disability. Policies mandate that all children need to be part of the regular school system, irrespective of their learning needs. But due to lack of awareness and poor implementation of the policies, children with disabilities are often forced to drop out of school. Teacher preparedness is critical for ensuring that children with learning disability become a part of an inclusive school system. Teachers need to understand the nature and characteristics of the condition as well as possess the necessary knowledge to adapt the curriculum and modify teaching strategies to help the children cope with the demands of a regular school curriculum and become lifelong autonomous learners.

The program - CONCLAVE ON NEURO-DEVELOPMENTAL DISORDER was conducted by dept. of Psychology on 16th February 2024.

Decoding Learning Disability (LDD) deepened the understanding about the nature and needs of students with learning disabilities and related conditions in classrooms. Provided knowledge about the processes of curriculum adaptation, assessment and educational program planning for students with learning disabilities. The session was based on learning disability and the assessment techniques used to diagnose the disability and to assess the severity of it. The program was very insightful in understanding the disabilities under the "Umbrella Term" - specific learning disabilities. It also threw light upon the schooling methods and individuals having learning Disabilities.

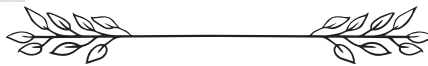

**SEMINAR ON “BEYOND THE TEXTBOOKS: UNVEILING THE MARVELS OF SCIENCE EDUCATION AND CAREERS**

This seminar was planned and organised by the department of Physics (CA), ECS and Maths (CA) for the all the students of respective department. The total no. of participants: 155. The resource person Dr. N. Kanagathara was warmly welcomed with memento and shawl by Dr. R. Surekha, Deputy Dean, accompanied by all departments staffs. The speaker introduction was given by Dr. N. Vignesh, Assistant Professor in PCA. The session was carried by the speaker with her seminar on “Beyond the textbooks: unveiling the marvels of Science Education and careers”

It was an interactive seminar between the students and the speaker. The speaker elaborated the importance of science field that has enhanced our living lifestyle. The guest also showed various Research cum earning schemes, PG courses that are offered by GOVT and private institution and emphasised the students to develop skills to have a successful career.

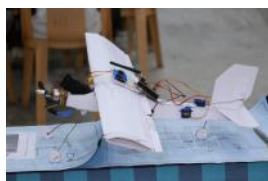

**NATIONAL SCIENCE DAY: PROJECT EXPO 2024**

The science Day celebration was officially opened by Dr.V.G. Vaidyanathan, PhD, Principal Scientist from CSIR-CLRI, Chennai. The PCA and ECS departments jointly arranged the Project Expo, which began at noon with a keynote address by Dr. R. Surekha, Deputy Dean. She greeted the Chief Guest and all the invitees. Dr.T. Srinivasan, facilitator introduced the Chief guest. Science Day was celebrated with dance, yoga, a science day discussion led by the cultural committee and B.Sc., Physics with CA students.

The Dean, Dr.M.M. Ramya, felicitated the chief guest, who then addressed the gathering on Science Day. Both the Chief Guest and the Dean interacted with the media about national scientific advancement. The Chief guest, Dr. V.G. Vaidyanathan, a scientist, then visited all the 45 projects displayed by PCA and ECS. He interacted and gave his praise, suggestions, and valuable feedback to each pupil. These events were covered by the invited media.

# இளங்கலைத் தமிழ் மாணவர்க்கான சிறப்புக் கருத்தரங்கம்

## NEIGHBOURHOOD YOUTH PARLIAMENT-2024

On February 26 2024, Rotaract Clubs Shifts 1 and 2 collaborated to organize a Neighborhood Youth Parliament at 9 am in Shri Mahaveer Gyan Bhawan. The event featured an energetic speech by Rtn M. Sessa Sai, Honorary Consul General of Seychelles, highlighting the vital role of youth in India. It was a compelling gathering aimed at empowering and inspiring young leaders to make a positive impact in their communities. Following Rtn M. Sessa Sai's speech, Dr S. Manikandan, Assistant Professor and Head of Department of Philosophy, addressed the audience on the significance of millets for youth, emphasizing their nutritional value and sustainable cultivation practices. Subsequently, Dr E. Kothandaraman, Assistant Professor and Facilitator, Department of Tamil, delivered a compelling speech on the vision of "New India," advocating for innovation, inclusivity, and economic growth to shape the nation's future.

Their insightful contributions added depth to the discourse on youth empowerment and national development. During the afternoon session, after a delightful quiz program conducted by Ms. D. Monika, the Neighborhood Youth Parliament continued, featuring students from shifts 1 and 2 addressing diverse topics such as education, sports, inflation, and infrastructure. Dr T. Sutha, Assistant Professor, Department of Commerce and Mr Adithya A.B, Assistant Professor, Department of Commerce moderated the discussions, ensuring a productive exchange of ideas and perspectives among the participants. The session provided a platform for youth voices to be heard on critical issues affecting their communities and beyond. In the valedictory session, Dr S. Ananthkrishnan, Associate Professor and Head, Department of History, delivered a heartfelt speech, reflecting on the inspiring discussions and shared aspirations throughout the Neighborhood Youth Parliament. The Deputy Director of Nehru Yuva Kendra, Dr J. Sampathkumar and organizers were honoured by the Principal, Dr N. Venkataraman and Dean, Dr M.M. Ramya for their invaluable contribution to the success of the event, recognizing their dedication and support in fostering youth engagement and leadership development. It was a fitting conclusion to a day filled with meaningful dialogue and collaboration among the future leaders of tomorrow.

## HEALTH AND LEGAL ISSUES FACED BY WOMEN

Rotaract Club Shift 1 and 2 jointly organized "Health and legal issues faced by women" on 08 March, 2024 at Seminar Hall. The event started with a special address by Deputy Dean, Dr. R. Surekha, focusing on the issues faced by women in day-to-day life and how to fight back against the oppressors. During the seminar, Ms. R. Nithya, the Associate Professor and Head of the Department of Human Rights and Duties Education at Ethiraj College for Women eloquently elucidated the spectrum of legal rights available to women in India. Her comprehensive discourse spanned topics ranging from gender equality laws to women's rights in areas such as education, employment, and property ownership, shedding light on crucial aspects of women's empowerment and legal protections. Dr. Sabitha Girish, a distinguished Gynecologist and Fertility Specialist, delivered an insightful presentation via online on the myriad health issues faced by women.

Her comprehensive discussion delved into the complexities of reproductive health, addressing topics such as menstrual disorders, maternal health, and gynecological cancers. Her expertise illuminated the challenges women encounter and highlighted the importance of proactive healthcare measures for overall well-being. Final speaker, Dr. Jamila Alagarsamy, esteemed HOD and Professor of Pathology at Govt Medical College, Kilpauk, delivered an enlightening discourse via online on the diverse health issues confronted by women. Her profound insights navigated through the complexities of women's health, encompassing topics such as reproductive health, mental well-being, and the prevalence of non-communicable diseases.

## WOMEN IN TECH PANEL

The event Women in Tech Panel Discussion was organized by the Departments of Computer Science, Computer Applications and Software Applications on 01.02.24 at Mahavir Gyan Bhavan from 11 a.m. to 1 p.m. The guests for the panel are

1. Ms. NIVETHA M  
FOUNDER, NEWGENMAX
2. Ms. SUSAN DARE  
PMP GROUP PROJECT MANAGER, INFOSYS
3. Ms. REXLIN FREETA  
SERVICE DELIVERY MANAGER, TCS
4. MS. SULAKSHNA A  
QUALITY ASSURANCE LEAD ACCENTURE

The event was started by the invocation of Jain Mahamanthra followed by Tamilthai Valthu. The College Anthem was played and Ms. Smirithi, Student of Computer Science with AI presented welcome dance. Dr. A. Udhyakumar, Facilitator, Department of Computer Applications & Software Applications delivered the welcome address. Dr. V.Belsini Gladshiya, Facilitator, Department of Computer Science introduced the Guests in the Panel. Dr. M.M. Ramya, Dean, Agurchand Manmull Jain College inspired with the special address and felicitated the guest. The panel Discussion was moderated by Dr. V.Belsini Gladshiya, Facilitator of Computer science. The topics discussed in the panel were

- The achievements and struggles in the tech journey.
- Balancing Professional and Personal Life.
- Risk and Challenges in Leadership
- Future scope in Tech and Entrepreneurship.

In the discussion the panel member MS. NIVETHA MURALIDHARAN shared her experience that she started a small-scale business with self-confidence and motivation. MS. SUSAN DARE shared the importance of learning and skill enhancement to achieve a position in IT field. MS REXLIN FREETA, shared Confidence and Collaborate to be her secret of Success. M. SULAKSHANA alumni of the Computer Science department shared the experience on how she was motivated by her parents and staff to be independent and successful. The panel members discussed about family, Priority, Planning and the need to balance professional and personal life. Ms. SUSAN DARE and Ms. REXLIN FREETA motivated the students to learn and update the new technologies in the current trend such as data science, machine learning, Artificial Intelligence etc, which would be the future of IT. The students also raised queries about the safety policies in IT field, gender equality, skills to improve, scope of women in business and the panel members gave inputs for their queries. Ms. Priya, faculty of Computer Science delivered the vote of thanks followed by National Anthem.
