EMPLOYER

FEEDBACK	ACTION TAKEN
Some of the employers seeks student who have the technical skills and knowledge relevant to the job. This can include proficiency in English language, understanding of industry standards, or specialized training	Courses was organised for the students to improve their communication skill and preparations for interview through an MoU with Kings Learning Institute.
Practical experience through internships, part-time jobs, or volunteer work is highly valued.	Efforts were taken and directions were given to each department to facilitate effective industrial visits and field visits.

EMPLOYER

FEEDBACK	ACTION TAKEN
Few employers often prioritize the soft skills as they are essential for effective collaboration and productivity.	As an initiative to enable to students to improve their communicative skills Courses were organised by entering into an Memorandum of Undertaking with Kings learning for fulfilling the same.
Employers also seeks a strong academic record can be important, especially for competitive positions.	Steps were taken to introduce methods of teaching which will enable the students to have an analytical learning which will be beneficial for holding competitive positions.

(Based on 2020-21 Feedback)

EMPLOYER

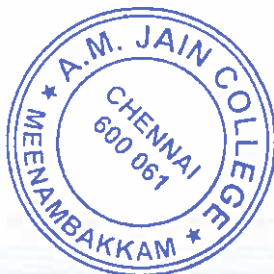

FEEDBACK	ACTION TAKEN
The employers responded that steps be taken to improve the leadership qualities of the students by providing more scope to organise events and programmes.	Steps were taken to provide opportunities to the students by opening up avenues through clubs and committees by engaging them to organise programmes and acquire the desired skills.
Employers expect students to demonstrate professionalism in their behaviour, appearance, and communication.	Efforts were taken by all the faculty members to inculcate about the necessity to give importance to their appearance, behaviours and communication and every possible step improve the same.

EMPLOYER

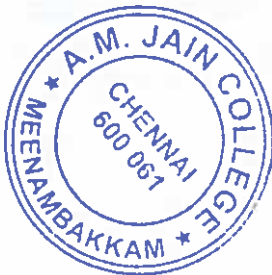

FEEDBACK	ACTION TAKEN
Companies often look for candidates who align with their values and culture.	The institution has been imparting the values and culture through celebration of the festivals, ceremonies to make the students realise their importance.
Few employers felt that student should possess practical knowledge.	This institution offers courses that are designed by the parent university; we intend to implement internships and field visits to provide our students with practical knowledge that will improve them.
