FEEDBACK	ACTION TAKEN
Requested to provide incentives for academic excellence.	Academic excellence is a fundamental pursuit at the core of education, reflecting the highest standards of achievement and performance. Faculty members are receiving incentives for their academic excellence, and their increments are based on their academic performance.
Programme on OBE (outcome-based education)	The IQAC organized a series of lectures on outcome-based education, COs, POs, and related topics.
Enhanced research activities	The Research cell has been established to actively promote faculty members to present and publish papers in reputed national and international journals. The management has also taken significant measures and implemented schemes to enhance teachers' research activities.
Seed funding for the Research Activities would help in taking up projects	The Research assistance was extended to the project proposals received from the faculty members through the funding made by an NGO - Medopharm life foundation.
Required internet facility	Equipped with full Wi-Fi access everywhere inside the buildings.
Increasing the opportunities for getting the training on administrative and leadership capabilities	New clubs have been initiated to provide scope for more students to get and or improve the administrative and leadership capabilities.

Need to enrich knowledge on latest technologies.	Staff members were provided the training on how to use interactive panels, and other technology-based tools and platforms associated with teaching.
The need for showcasing the activities and programmes through an active website to be ensured.	Steps were taken to reorganize the college website by providing all necessary components. The steps were taken to open institutional account in social media to inform the stakeholders on activities and programmes taking place in the campus
Students must be exposed to environmental awareness through additional courses or extracurricular activities.	An invited talk on "Climate Change" and the use of renewable sources of energy by Prof. Chetan Singh Solanki, the Solarman of India.
Organising a trip gathering would help to foster good relationship between faculty members.	A one-day trip was organised to Esthell Village in Tirukazhukundram, Echur, for all the faculty members and programmes were organised.

FEEDBACK	ACTION TAKEN
More Orientation on IPR	The IQAC has conducted various IPR programs to enhance the teacher fraternity.
Teachers believed that the curriculum should be reformed.	Initiatives were made, and procedures were carried out in accordance to the requirement.
Some teachers feel that in order to foster friendly relationships among their peers, family gatherings should take place on a regular basis.	The request on organising a gathering has been made to the Management.
The pandemic has caused severe psychological problems to the students. Hence, a Student Counselor apart from the faculty members would benefit the students.	The Management appointed a Psychologist to help the students who are in distress.

Staff members towards, continuous learning process to develop knowledge about their subjects requested for permission to undergo FIP and Refresher Programmes.	Staff members were strongly encouraged to participate in FIPs, refresher programs, NPTEL Swayam courses, and other relevant training opportunities to enhance their knowledge and skills.
The teaching and non-teaching staff requested for social benefit programs that will assist them and their families.	The management has put in place a increasing number of measures that are very beneficial to its employees.
A few faculty members expressed the need to provide support to alleviate the pandemic's inconvenience.	In response to the pandemic, the college has taken a number of proactive measures, such as offering free food to anyone who is in need of help, in addition to those who are affiliated with the institution (teachers, students, etc.). Additionally, the college made it possible for neighbors and stakeholders to be admitted in order to receive pandemic-related treatment.
