## THADAM PROJECT EXPO

The Thadam Project Expo at A.M. Jain College was organized on 9<sup>th</sup> April 2024 which showcased the ingenuity, dedication, and technical prowess of our students, offering a glimpse into the future of innovation. From ground breaking research to practical applications, the event brought together minds eager to solve real-world challenges. Participants presented projects spanning various disciplines, including engineering, science, business, and arts, each reflecting a commitment to creativity and problem-solving. Faculty members were engaged with students, providing valuable insights and encouragement.

## WEAPON DISPLAY

Agurchand Manmull Jain College organized Weapon display on 5<sup>th</sup> April 2024 at college ground. This event offered a unique opportunity to explore the evolution of defense and combat technology, spanning historical artifacts to modern advancements. The exhibit featured an impressive collection of weapons, showcasing craftsmanship, innovation, and strategic developments across different eras. Students and faculty engaged with interactive presentations, learning about the historical significance and technical aspects of each piece. The event served as an educational experience, deepening our understanding of history and engineering while fostering discussions on ethics, security, and innovation.
